Bring Golfers to Your Bar This Winter – At No Cost to You

Host a Night of Fun, Competitive Golf & Boost Your Winter Sales!

We're bringing a high-energy 2-man scramble golf league to 10 bars in Sussex & Morris County – and your spot could be one of them!

What Is It?

- Mobile golf simulator league using compact, safe, fun, and unique technology.
- 2-player team scrambles (best-ball format – perfect for all skill levels)
- 10-week season (January – March)
- One exclusive night per host bar
- 10–20 teams (20–40 players) per event, playing 3–4 hours

Why Host? (The Best Part for You)

- Zero Cost – We set up, run the event, and tear down. No fee, no hassle.
- Guaranteed Crowd – 20–40 golfers show up ready to play, drink, eat, and stay late.
- Winter Traffic Boost – Turn slow weeknights into packed, profitable ones with golfers who love bars.
- Fun Atmosphere – Lively competition, prizes, side games – your customers will love it and come back.
- Exclusive Night – Only 10 bars selected. Your place gets the spotlight for one big event.

How It Works

1. We arrive early, set up the simulator in your space (minimal footprint needed – 8'W X 8'D X 8.5'H).
2. Registered teams (pre-signed up) arrive, play their round, and enjoy your food & drinks.
3. Players pay \$30 each (\$60/team) directly to the league – you keep 100% of bar sales.
4. We handle scoring, prizes, and cleanup. You just pour the drinks!

Limited Spots – Only 10 Bars!

Perfect for weeknights (Monday–Thursday recommended).

Secure your date now before they're gone.
